Race Overview: RITZA WOTTON (7) is a capable type and proved too strong last time to win by 0.8 lengths at this track in a handy 30.70 beating Slick Angel. Winner at his latest appearance in the quickest time on the card. One of the key runners again. URANA SPACE (5) is progressing well with another good run last time, placing (30.65) from Box 8 at Murray Bridge. Ran one of the fastest times on the program last start despite finishing in the minors. Winning chance. SPRINGVALE RITA (1) goes very well at this course having never missed the frame including four wins and three placings. Hit the frame latest (44.10) when third at Mt Gambier in a Special conditions race. Among the main chances. VICTA BOB (3) is a last-start placegetter in good time - worth considering.

Race Overview: WHERE'S TIMMY (7) racing well without winning and has a strong place strike-rate, with five minors from six starts. Although beaten into third last time was game in defeat finishing close to the winner. Likely to be in the finish again. DREAMTIME HONEY (5) makes her debut without a trial but profiles well for first outing. Among the main hopes. HOT WORK (1) was prominent early from the tricky draw and did a fair job to be beaten 1.3 lengths into second (24.04) at this track in a Maiden over 437y. Hard to beat again.

Race Overview: JASON ROSE (8) doesn't have the best strike-rate but recent form is sound. Has hit the frame the last two runs, the latest when third (23.31) at this track. Has a good record at this journey. The form from his last run is stacking up nicely. Must come into calculations. RINGO ROSE (4) is better than last start when fourth (23.87) in a Grade 6 at this track over 437y. Will give the top chances plenty to think about. CERISE (2) is racing well without winning, recording five minors on end, the latest when checked in the run and finishing third in a Other at Angle Park (20.27). This tougher but looks a leading chance again. ON THE STRIP (6) will give backers a sight.

Race Overview: TIPSYP TESS (8) was strongly fancied last time on the back of some superb recent form, including a two-run winning streak, but could only manage second (31.03) at Angle Park Night. Remains without a win from the draw but has been in the placings three times from four attempts. Top chance in this line up. ZIPPING KRAMER (7) was well supported last time and rocketed out of the boxes with a strong early sectional but had to settle for the minor money, finishing a 1.75 lengths second (31.11) over 581y at this track. Expected to feature again. NATIONAL GRID (4) has been settling off the speed lately, finishing fifth (31.36) last time in a Grade 5 at Angle Park. Solid record at the distance winning five races. Key runner who gets his chance to atone. BEDROCK CAM (2) is in the mix after placing last time out.

Race Overview: GUNNING BANDIT (7) recorded his 4th career win last time out (22.64) at this track and drawn box 7 for the first time here. Has never been out of the money in five starts this distance. Recorded one of the quickest times on the card in scoring last start. Will go close again if runs up to latest. GLASTHULE (2) had second look this course and distance latest and improved on his time, finishing a 1.5 lengths second in 23.09. Strong run latest and looks a key chance on that form. ROLL ON COASTER (4) has a strong overall record having three wins and four places from nine starts including a last start third (23.20) over 437y at this track. Has the ability and rates a key chance this line-up. SHE'S A JUMBO (8) has strong credentials over this journey.

Race Overview: TERRIFIC BAZ (6) has a strong record this trip with four wins and four placings from 12 starts. Missed the frame latest (22.77) when fourth over 437y at this track in a OPEN. Appeals as a leading chance in this. BUZZ THE HUSTLER (7) turned in a plain effort last time when seventh at Angle Park over 580y behind Nola Keeping (31.78) in a Grade 4/5. Worth following up. BUDGEREE (3) jumped from out wide and was game in defeat last start when a 1.3 lengths second (22.96) behind Who Knows Darren at this track. Will give a great sight again. PRIME VOLTAGE (2) generally performs well here at this distance.
