

**Race Overview:** MINIDONISHALL (2) finds it hard to break through. Finished second (28.79) at this track last time making it two minors on end. Although beaten ran one of the quickest times on the card last start. Capable of going well again. MAHOGANY SWIFT (1) turned in a fair 4th placed finish last time at this track over 525y (29.56). Cannot be underestimated. DA BLUE FLASH (5) jumped from the outside last start and was game in defeat when a half a length second (29.54) behind Memory Token at this track. Winning chance. RUSTY BUICK (6) is worth another chance despite missing the top-three here most recently.

**Race Overview:** SKYFALL SIRIUS (2) had been in super honest form hitting the frame two times on end before finishing fifth (29.25) at this track last time. The form out of his last race has been franked. Better than the latest effort and deserves another chance. RED JELLYBEAN (4) is racing very well, claiming an A6 two back then scored a nose win of an A5 at this track over 525y (28.96) last time. Key player and worth following up despite the tougher class. SWIFT ZAPPY (3) wasn't far away at the finish when 4th and beaten only 1.75 lengths (29.50) at this track. Has ability and can measure up. GERONIMOS GHOST (6) has ability and must be included among the main hopes.

**Comment:** Won two starts back at this track over 525y in 29.03. Couldn't repeat the feat last time out when sixth over 525y at this track at A4 level. Can bounce back. One of the main chances.

**Race Overview:** SKYFALL DOC (4) turned in a better effort at this track last start, finishing third behind Bangon Jeremy (15.85) in a D2. Can find winning form. SKYFALL JESTER (2) is going well, filling a minor placing two back then was a 1.3 lengths winner of a D4 at this track over 289y (15.91). Up a grade but hard to fault on that latest effort. A real threat again. TRUBBYS CAL (3) followed a moderate fifth at this track two runs ago with another plain effort last time to finish sixth, beaten 6 lengths, in a D2 at this track over 289y (16.09). Can bounce back this company. NEWINN GEORGIA (1) with some luck can improve on an unplaced run last time here.

**Race Overview:** KILARA HONEY (2) followed a moderate fifth at this track two runs ago with another plain effort last time to finish fourth, beaten 8 lengths, in an A3 at this track over 525y (29.45). Back a class and looks the hard to beat on best form. CAPE ISLAND (4) turned in a modest effort fresh to finish sixth, beaten 7 lengths, in an A3 at this track over 525y (29.27). Should improve sharply this easier company. ALIEN DREAM (5) goes very well this course and distance starting 21 times for nine wins and six minors. Placed last time (29.41) at this track in an A3, finishing third and beaten 8 lengths. With even luck and a clean start can sneak into the finish. THINKING TIME (6) is in top form with back to back wins. Claimed an A6 two back then scored by 4 lengths in an A5 last time at this track over 525y (28.86). Rises another grade but expected to measure up.

**Comment:** Missed the frame last start when a 4 length fifth (16.42) at this track. Previous form sound including a win three back at this track. Makes plenty of appeal on best and can easily atone here.

**Race Overview:** LONGACRES KULU (5) missed the frame and was safely held latest finishing 6th at this track following on from a second place finish (29.55) there the start prior. Solid record here at the distance winning six races. Better than last start and worth following up. LACKEN DOT (1) comes off an average performance last start when sixth at this track over 525y behind Trubbys Stripes (30.44) in an A8. Comes out of a solid form race last start. Expected to feature in the finish. NODUFF FLAMINGO (6) has been hard to follow lately, running fourth (29.65) last time but prior to that ran very well when placed at this track. Expected to bounce back to best. MENDIP FREYA (2) must be among the chances on the last run here.

**Race Overview:** WINTERFIELD HOPE (1) was below best at his last start when 6th at this track following a third place finish (29.52) there two back. Has a good record here at this journey. Has ability and looks hard to stop. TALLY HO FREDDY (2) did a good job to finish third last time out over 525y at this track (29.74) in an A10, the second top-three finish on the trot. Well placed here and can atone this time. CLOUD OF DUST (6) was a course and distance placegetter (29.53) last time also from the same draw, finishing a 4 length second in an A10. Bold showing expected again. VIXONS MILKA (5) was unplaced here last start but gets his chance to atone.

**Race Overview:** CAZZERS LASS (4) jumped from this trap last time and also the same course and distance when a nose second (28.97) in an A5. Rates a top chance. WINTERFIELD SAL (2) has been in super consistent form recently with two minors on end before missing the frame latest finishing sixth (29.36) at this track. Can figure in the finish. MINDYOURMANNERS (6) has a fair record and proved too classy last time to win by 5 lengths at this track in a handy 38.89 beating Milton Beau. Ran the fastest time on the program in his latest win. Looks a key chance if runs up to latest figure. SKYFALL SPARK (5) has strong credentials over this journey.
