Follow up.

Race Overview: ARCHER THREE (6) has some solid form under her belt and proved too strong last time to win by 4 lengths at this track in a handy 17.32 beating Commando Raid. Makes plenty of appeal on the back of that last-start win. DISCO HOMER (3) is in top form, scoring by 1.3 lengths (17.40) over 328y at this track and making it back to back wins. In top form and looks a key chance again. YARRAMUNDI COCO (4) doesn't win out of turn. Finished third (20.19) at Angle Park latest and might be close to finding winning form again. Expected to feature again. COMMANDO RAID (1) is worth some thought after placing at this track and distance last start.

Comment: Has not shown much in recent runs. Could only manage fourth last time out over 410y at Broken Hill. Can't make much of a case this time.

Race Overview: TIJUANA BOY (2) is worth forgiving last start after finishing seventh (20.43) in a Grade 6 at this track over 383y. Better than the latest effort and deserves another chance. BIG VINCENZ (4) was checked in the run and safely held when fifth (20.16) in a Grade 6 over 383y at this track. Key player if finds best. LOCKABA NITRO (8) turned in a fair 4th placed finish last time at this track over 328y (17.33). Will give the top chances plenty to think about. RESIDENT EVIL (7) can sneak into the finish.

Selections **5-3-6-2**

Race Overview: ALLINGA METRO (5) was strongly supported last start when a short priced favourite and duly saluted winning by a neck at Angle Park in a handy 19.66. Has a tricky draw to overcome but likes the trip. Won at his only start from this box. Looks to have an edge on most of these. YARRAMUNDI OPAL (3) could manage only third at this track last time but turned heads when posting a swift 16.67 over 328y at this track the start prior. Top win two back and can measure up again. KINGDOM LEADER (1) doesn't win out of turn but looks close to breaking through. Finished in the minors last time when third (20.00) at this track making it back to back placings. Form here at the trip sound including two wins. Remains without a win from the draw but has been in the placings eight times from 13 attempts. Expected to feature. TAILORED MCLAREN (7) generally performs well here at this distance.

Comment: Drawn the outside box and could be suited with some luck. Goes ok at this track and distance but recent form not good enough, happy to risk in this.

Race Overview: SOUTH BOYS (1) has a strong winning strike-rate over this track and trip with five wins and a placing from eight tries. Below best last time at this track (17.26) in a Grade 5, finishing a 1.5 lengths fourth. Rates on top and should go close. MAGPIE HARRY (6) is a sprinter who excels over the short dashes. Scored over 374y at Angle Park last time in a Grade 5 (19.64). Has a strong winning record at this journey including two wins. Sure to be thereabouts. LEGENDARY VALUE (8) has a fair record and proved too strong last time to win by one length at this track in a handy 17.01 beating Spring Ignite. Significant danger. MR. ZING ZANG (2) continues to race well and is sure to be competitive again.
