

# Power Rankings Sheet

for Monday, Nov 10, 2025

Australian Power Stats are derived using a complex algorithm to access the ability of each horse in 12 different racing categories. These cumulative rankings are used to produce one overall number. The horses are ranked highest to lowest in descending order.

| Race 1                                          |                  |           |                    |            | Race 4                                        |                    |           |                   |            | Race 7                                                                  |                   |           |                    |            |

# Power Rankings Sheet

for Monday, Nov 10, 2025

Australian Power Stats are derived using a complex algorithm to assess the ability of each horse in 12 different racing categories. These cumulative rankings are used to produce one overall number. The horses are ranked highest to lowest in descending order.

## Race 10 Addington 2 m

10:37pm ET 9:37pm CT 7:37pm PT
